

EN-RICH-MENT Color Guard Instructor Request

EN-RICH-MENT's Color Guard is a combination of the use of flags, banners, and other equipment, as well as dance and other interpretive movement. EN-RICH-MENT is well poised to introduce this performance element to its schedule of activities and presentation routines. This is a highly stylized, formal attachment to EN-RICH-MENT's popular drumming program, performing specifically with the Drumline. An aspect of this contingent's training will be youths' the instruction provided by EN-RICH-MENT's movement and condition course.

EN-RICH-MENT's Color Guard will introduce the Drumline during their numerous performances throughout the year. The Color Guard will assist the Drumline in maintaining its formation. The youth Color Guard provides visual focus and precision to engage spectators.

The instructional aspects include coordinated movement, regimented step, dance, and equipment movement synchronization, and position requirements and responsibilities. For example, EN-RICH-MENT's Color Guard will include, but not be limited to, the following formations and positions: Color Officer, Lead Squad, Relief Squad, and Rear Guard; upon expansion additional positions may include a unit of trained Escorts and Honor Guards.
